

Martin West

Rushworth Chronicle

14 December, 1888

DEATH.

WEST.— On the 9th of December, at Rushworth, Martin James, youngest son of Frederick and Priscilla West. Aged one year and eleven months.

Our little baby has gone to rest,
To seek a happier home;
God's will on earth, it will be done,
Though far and wide we roam.

We loved our patient sufferer:
A favorite with all;
Peacefully he sank within the arms
Of him who died for all.

The register includes a West child, age not shown, buried June, 1887. This Martin West should be added to the register, based on the newspaper details.
