

John McNaughton (or Alexander McNaughton)

Rushworth Chronicle

4 February, 1887

John McNaughton, an old identity of Coy's [Diggings], died on the 26th ult. [January].

The remains were interred in the Whroo Cemetery on Saturday.

The interment register for Whroo cemetery and the plaque prepared from those records include a burial of date of 29 January, 1887, for Alexander McNaughton. It is assumed that John and Alexander were one and the same person.
