

Elizabeth, daughter of Mr Johnston(e) ?

Waranga Chronicle

18 June, 1886

The friends of Mr Johnston, of Whroo, will be sorry to hear that he has had the misfortune to lose one of his children from a severe attack of diphtheric croup.

The little girl, who was about 3 years old, was taken ill on Friday last, and gradually becoming worse, died on Tuesday morning.

The remains were interred in the Whroo cemetery on Wednesday afternoon.

An entry in the Whroo cemetery register (18 June), 1886) shows Elizabeth Ann Johnstone, daughter of Adam Johnston. One spelling must be in error. If that can be clarified, the spelling within the newspaper article may also be resolved.
